## SC READY & SC PASS Testing Schedule

### Spring 2017

Dear Parents,

Prior to Spring Break you received pamphlets and information regarding state assessments. Below is our school's testing/assessment schedule. Please review to ensure that your child is at school on the day of their assessment. You will find other helpful testing tips on the other side of this schedule. Please contact Mrs. Edwards at 803-789-5164 if you have any questions. Thank you all for your assistance.

## Additional Testing Information

### Getting Ready...

- ✓ Get plenty of sleep the night before the test.
- ✓ Eat a healthy breakfast. This will give your brain the energy it needs to do your very best.
- ✓ Come to school on time. Classes with 100% attendance on both test days will receive a special treat!!
- ✓ Do you need your glasses or medication?
- ✓ Have a positive attitude!

### Knowing What To Do...

- ✓ Read all of the directions.
- ✓ Read the questions carefully and all of the possible answer choices. Remember that you are looking for the best answer choice.
- ✓ Try to eliminate some of the answer choices. *Which are the ones that just do not make sense?* Then choose your answer from the remaining choices.
- ✓ Be sure that the answer "bubble" that you mark has the same number as the test question.

### The Test...

- ✓ **Use your scratch paper!** You will be working on your own during the test and it helps to figure things out on paper.
- ✓ **The test questions are not in any order.** Some will be hard and some will be easy. Even if they seem hard keep going.
- ✓ **The answers are not in a pattern.** Do not try to mark a certain number of A's, B's, C's, D's, or feel that one answer choice would not be correct if you used it on the question before.

Try to find the best answer for each question. Even if you're not sure, mark the one that you think would be best.

Thank you for your assistance in helping our children succeed!
